HUBBARD'S FOODS NUTRITION IN SCHOOLS PROGRAMME "BREAKFAST OF CHAMPIONS" 2007

www.hubbards.co.nz

The Auckland Rugby League Coaching Development Department are proud to announce that Hubbard's Foods have agreed to continue their support of the Hubbard's Nutrition in Schools program in 2007 by supplying a cereal from their range of products for an awareness program designed to educate young people on the importance of healthy eating and regular activity.

The Hubbard's Nutrition in Schools program in 2006 was very successful. To build on this, the Nutrition in schools program will now be known as the

“Breakfast of Champion's”

The format of the program and content will remain the same. We will visit the Championship winning Schools for their respective regions.

We will conduct a nutritional slide show. Interact with students, supply breakfast, run a coaching clinic and finish off with prize giving.
